Support Your Favorite Henry County School

The battle is on again as the Henry County Solid Waste Management District in conjunction with Zack's Recycling of Napoleon, Ohio, will be hosting the District's 10th Annual Electronics Recycling on **Saturday, April 23, 2022**. The four Henry County schools competing to collect the most pounds of recyclable electronics include Napoleon Wildcats, Holgate Tigers, Liberty Center Tigers and Patrick Henry Patriots.

Each school will have a designated drop off location where students will unload accepted items. The schools will be paid for the total pounds collected. The school with the most pounds collected will be awarded a \$300.00 bonus and the second-place school will be awarded \$200.00.

What types of electronics are accepted for recycling? Almost everything electrical or with a power cord! Items NOT ACCEPTED include televisions, computer monitors (CRT's), air conditioners, dehumidifiers, other freon containing

ELECTRONICS RECYCLING

appliances, glass and light bulbs. These items are difficult to recycle properly and would cost the schools money. *A complete list of accepted items is on the back side of this page.*

The organizations who will benefit from this event are:

- Napoleon Freshman Class
- Holgate Vocational Agriculture
- Liberty Center Music Boosters
- Patrick Henry Lady Patriot Basketball Team

Collection Locations

Napoleon High School – West Side Parking Lot – 701 Briarheath

Holgate High School – South Side Bus Parking Lot – 801 Joe E. Brown
