

“Be Part of the Solution – Help Clean the Roads in Henry County”

23rd Annual Litter Roundup REGISTRATION

A cleaner, healthier community starts with you putting waste in its place! Litter tossed on the ground can be blown by the wind and can move from streets and highways to parks and rivers, contaminating our waterways and environment. By participating in Litter Roundup, volunteers, such as yourself, can make a difference!

WHAT IS LITTER ROUNDUP? It is a program committed to creating awareness of litter prevention and proper waste management.

BENEFITS OF LITTER ROUNDUP: This is an opportunity for community service projects or a rewarding family experience. Participating nonprofit organizations receiving sponsorship can also earn \$4 per bag of litter up to \$100.

HOW TO VOLUNTEER: Return the completed form below **by March 31, 2020:**

- ❖ Sign up for one or more miles of county or township roads. Roads are on a “first come, first serve” basis. Be sure to sign up early to reserve the roads you want!
- ❖ Litter kits will be assembled and available for pick up at either the Henry County Solid Waste / Landfill Office or at the Commissioners’ Office. Kits will include a map with assigned road(s), safety rules and waiver form, gloves and litter bags. Safety vests and grabbers are subject to availability.
