**PRESS RELEASE**

Proposed Recycling of Glass for Henry County Residents  
Effective 10/01/2025

The Henry County Solid Waste District will be doing a glass recycling trial period. The District has found a location to take collected glass approximately an hour and 15 minutes away. Dlubak Glass in Upper Sandusky has agreed to accept container glass from the District.

Container Glass includes: Pickle jars, spaghetti sauce jars, beverage bottles (i.e. wine and beer bottles), and any other jars made for food storage (not cooking).

Clear and colored glass will be accepted

NOT ACCEPTED: High temperature glass containers. This includes oven safe glass such as Pyrex.  
Microwave safe glass, including the plate located inside  
Ceramic/stoneware items such as coffee mugs, bowls, plates

Drop-off location will be at Henry County Landfill ONLY. The Landfill is located at L-622 Twp Rd 11, Malinta. Drop-off hours are Monday-Friday, 8am-3:30pm, and the 1st and 3rd Saturdays of the month from 8-11am.

HENRY COUNTY RESIDENTS ONLY! Proof of residency must be shown at the office.

This is a trial period ONLY. The trial period will be 6 months (October 1, 2025-April 1, 2026) and will be reevaluated in March 2026.
